Middletown, N. Y. August 25.—Mrs. Sarah A. Townsend, former wife of Arthur Townsend, was married to Mott Dohell, superintendent of bridge construction for the New York, Ontario & Western railroad, by the Rev. John A. Courtright, pastor of Calvary Baptist church, this week. Townsend disappeared from this city about a year ago, leaving his wife and two children, the eldest a girl of 14 years. At the same time Mrs. Mott Dobell disappeared, and it was alleged that she and Townsend had gone away together A short time ago Mrs. Townsend obtained a divorce. Then came the announcement that Mr. and Mrs. Dobell had been divorced and now comes the marriage of Mrs. Townsend and Mr. Townsend and the first Mrs. Dobell are married and living in a Connecticut city.

New York, Aug. 25.—From a man who had falsified books for many years and been convicted of larceny in the second degree last week, Judge Swann of general sessions got a letter a 619 or two ago, saying:

"My present condition is due to my madness for honors and ambition in fraternal orders. I spent money stolen from my employers in order to be classed as a good fellow. I was presented with a silver-handled umbrella, gold watches and electroliers at various fraternal gatherings at which I officiated. In order to obtain all these haubles I had to hold up my end, so I stole from my employers."

Richard Pacharz was an Odd Fellow, a noble grand in the Germania lodge and a director in the Odd Fellows' home and orphan asylum at Mamaroneck, N. Y. He stole \$6.290 of his firm's money in four years. Investigators learned that he spent it all on orphans and old people, taking them to picnies, buying various articles for them, paying for operations if these were found necessary in sickness and in various other generous ways.

So when Pacharz came up for sen tence Judge Swann merely sent him to the Tombs for a month, which is a very light sentence for larceny.

## The Important Problem

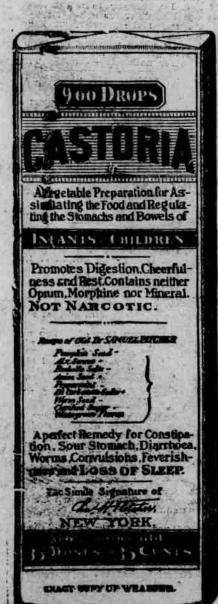

confronting anyone in need of a laxative is not a question of a single action only, but of permanently beneficial effects, which will follow proper efforts to live in a healthful way, with the assistance of Syrup of Figs and Elixir of Senna, whenever it is required, as it cleanses the system gently yet promptly, without irritation and will therefore always have the preference of all who wish the best of family laxatives.

The combination has the approval of physicians because it is known to be truly beneficial, and because it has given satisfaction to the millions of well-informed families who have used it for many years past.

To get its beneficial effects, always buy the genuine manufactured by the California Fig Syrup Co. only.

## Why Physicians Recommend Castoria

CASTORIA has met with pronounced favor on the part of physicians, pharmaceutical societies and medical authorities. It is used by physicians with results most gratifying. The extended use of Castoria is unquestionably the result of three facts: First-The indisputable evidence that it is harmless: Second-That it not only allays stomach pains and quiets the nerves, but assimilates the food: Third-It is an agreeable and power substitute for Castor Oil It is absolutely safe. It does not contain any Opium, Morphine, or other narcotic and does not stupefy. It is unake Soothing Syrups, Bateman's Drops, Godfrey's Cordial, etc. This is a good deal for a Medical Journal to say. Our duty, however, is to expece danger and record the means of advancing health. The day for poisoning innocent children through greed or ignorance ought to end. To our knowledge, Castoria is a remedy which produces composure and health, by regulating the system-not by stupefying it-and our readers are entitled to the information.—Hall's Journal of Health.

Letters from Prominent Physicians Addressed to Chas. H. Fletcher.

Dr. W. L. Leister, of Rogers, Ark., says: "As a practicing physician I use Castoria and like it very much."

Dr. W. T. Seeley, of Amity, N. Y., says: "I have used your Castoria for several jears in my practice and have found it a safe and reliable remedy."

Dr. Raymond M. Evarts, of Santa Ynez, Cal., says: "After using your Castoria for children for years it annoys me greatly to have an ignorant druggist substitute something else, especially to the patient's disadvantage, as in this case. I enclose herewith the wrapper of the imitation."

Dr. R. M. Ward, of Kansas City, Mo., says : "Physicians generally do not prescribe proprietary preparations, but in the case of Castoria my experience, like that of many other physicians, has taught me to make an exception. I prescribe your Castoria in my practice because I have found it to be a thoroughly reliable remedy for children's complaints. Any physician who has raised a family, as I have, will join me in heartiest recom-

mendation of Castoria."

Dr. W. F. Wallace, of Bradford, N. H., says: "I use your Castoria in my practice, and in my family."

Dr. Wm. I. McCann or Omaha, Neb., says : " As the father of thirteen children I certainly know something about your great medicine and aside from my own family experience, I have, in my years of practice, found Castoria a popular and efficient remedy in almost every home."

Dr. Howard James, of New York, City, says: "It is with great pleasure that I desire to testify to the medicinal virtue of your Castoria. I have used it with marked benefit in the case of my own daughter, and have obtained excellent resul s from its administration to oth r children in my practice."

Dr. J. R. Clausen, of Philadelphia, Pa., says : "The name that your Castoria has made for itself in the tens of thousands of homes blessed by the presence of children, scarcely needs to be supplemented by the endorsement of the medical profession, but I, for one, most heartily endorse it and believe it an excellent remedy."

Dr. B. Halstead Scott, of Chicago, Ill., says : "I have prescribed your Castoria often for infants during my practice and find it very satisfactory."

Dr. William Belmont, of Cleveland, Ohio, says: "You Castoria stands first 'n its class In my thirty years of practice I can say I never have found anything that so filled the place."

Dr. R. J. Hamlen, of Detroit, Mich., says : I prescribe your Castoria extensively as I have never found anything to equal it for children's troubles. I am aware that there are imitations in the field, but I always see that my patients get

Dr. Channing H. Cook, of Saint Louis, Mo., says: "I have used your Castoria for several years past in my own family and have always found it thoroughly efficient and never objected to by children, which is a great consideration in view of the fact that most medicines of this character are obnoxious and therefore difficult of administration. As a laxative I consider it the peer of anything shat I ever prescribed."

Dr. L. O. Morgan, of So. Amboy, N. J. says: "I prescribe your Castoria every day for children who are suffering from constipation, with better effect than I receive from any other combination of drugs."

Dr. H. J. Taft, of Brooklyn, N. Y., says: "I have used your Castoris and found it an excellent remedy in my household and private practice for many years. The formula is excellent."

Dr. Wm. L. Bosserman, of Buffalo, N. Y., says: "I am pleased to speak a good word for your Castoria. I think so highly of it that I not only recommend it to others, but have used it in my own family."

Dr. F. H. Kyle, of St. Paul, Minn., says: "It affords me pleasure to add my name to the long list of those who have used and now endorse your Castoria. The fact of the ingredients being known through the printing of the formula on the wrapper is one good and sufficient reason for the recommendation of any physician. I know of its good qualities and recommend it cheerfully."
